- **6 W-E presentations in the volume**
- please, let us know your intentions  
(kindly asked by the EiC, Jeff Freymueller)
- full name change proposal - tentative

*XI Hotine-Marussi Symposium on  
geodetic theory and methodology*

a pool will be open, after a check with the EiC

- all **abstracts**, all **presentations (PDF format)**, all **streamings (audio and slides only)** will be posted at the Symposium website  
**if you do not wish so, please send an e-mail to**  
**hotinemarussi2026@unige.it**
- list of the **participants** will be posted at the Symposium website
- report about the Symposium will appear in the IAG Newsletter
- part of ICCT final reporting will be sent to IAG in 2027

- **organization** of XI Hotine-Marussi:
  - scientific program: topics and their fusion, chairs ...
  - length of talks, time for discussions, poster sessions, special sessions, etc.
- **overall impression?** – too little/too much theory, limited discussions, too technical presentations, etc.
- **operation of ICCT 2023-2027** in general (structure, activities etc.)?
- any other suggestion, remark or question?
- **further comments:** please send by e-mail to Mattia, Amir and Pavel

- **Palazzo della Borsa/Camera di commercio** for the venue
- session chairs, speakers and poster presenters
- members of the **Scientific Committee**
- **ICCT ECSs Representative**, Michela Ravanelli
- members of the **Local Organizing Committee**

**Bianca Federici, Ilaria Ferrando, Paola Salmona, Domenico Sguerso**

**... and to all of you for participating at the Symposium**
